

September 12th 2019

CONFERENCE

Physiological aspects of reversible drying in eukaryotes

Confirmed speakers

Wakayama Teruhiko

Yamanashi University - Japan

Julia Buitink

Institut National de la Recherche Agronomique - France

Dirk Hincha

Max Planck Institute of Molecular Plant Physiology - Germany

Takahiro Kikawada

National Institute of Agrobiological Sciences - Japan

Joseph Saragusty

University of Teramo - Italy

Michele Cesari

University of Modena and Reggio Emilia - Italy

September 13th 2019

WORKSHOP

Reversible drying: lessons from anhydrobiontes

Confirmed speakers

Thomas C. Boothby

University of North Carolina - USA

Koyuki Kondo

Keio University - Japan

Giovanni Venturoli

University of Bologna - Italy

Ilaria Giovannini

University of Modena and Reggio Emilia - Italy

Luca Palazzese

University of Teramo - Italy

Modena (Italy) - Aula Magna "Centro San Geminiano"
Via San Geminiano, 3 - 41121 Modena

The complete program will be available on **drynet.unite.it**
